
Official Newsletter of the Miniwanca Younger Boys and Pre-Senior Camps

AMERICAN YOUTH FOUNDATION, 3930 Lindell Boulevard, St. Louis 8, Mo.

November 1949

HI EVERYBODY !!

Just three and a half months ago the two hundred campers and leaders who were members of the 1949 Younger Boys Camp at Miniwanca finished five great weeks of wonderful camping on the sand dunes by Stony Lake and Lake Michigan, and were heading by car, plane, bus and train for their homes in twenty-one states. And mentioning the figure, twenty-one reminds us that the Younger Boys Camp "becomes of age" in 1950 when many of us will be camping together again in the twenty-first consecutive camp for younger boys. Yes sir,

IN ABOUT SEVEN MONTHS WE'LL BE BACK

with the many friends we made last summer....and looking forward to the opportunity of making many new friends. This past summer we had younger boy campers from Arkansas, ~~California, Delaware, Florida, Illinois~~, Indiana, Iowa, Kansas, Michigan, Maryland, Minnesota, Mississippi, Missouri, Nebraska, New York, Ohio, Pennsylvania, Texas, Virginia, West Virginia and Wisconsin. ~~And the primary~~ purpose of this issue of THE TRAIL is to give you the names and addresses of everybody who was a part of our swell camp last June and July.

After the 200 younger boys and the 300 younger girls left their favorite camp grounds at Miniwanca, about 600 older girls and their leaders, followed by 500 older boys and their leaders FROM EVERY STATE IN THE UNION held their annual ~~leadership~~ training camps for two weeks periods each. During the last week of the summer the Danforth College Conference was held with educators from many states attending.

R E M E M B E R ALL THE GOOD TIMES WE HAD

playing, swimming, discussing, boating, praying, singing, eating, hiking, etc.?? We just don't have the space to recall all the neat events that went into our unusually fine program. We refer you to your copies of the "D U N E S D I S P A T C H" (which we sincerely ~~hope~~ you kept) and we want to add our word of congratulations to the campers and leaders who did such a ~~good job~~ on their camp paper.

And now is the time to guarantee you that camp is going to be nifty in nineteen-fifty -- and if you will turn the page you will see the BIG DATES IN 1 9 5 0 . . . . . .

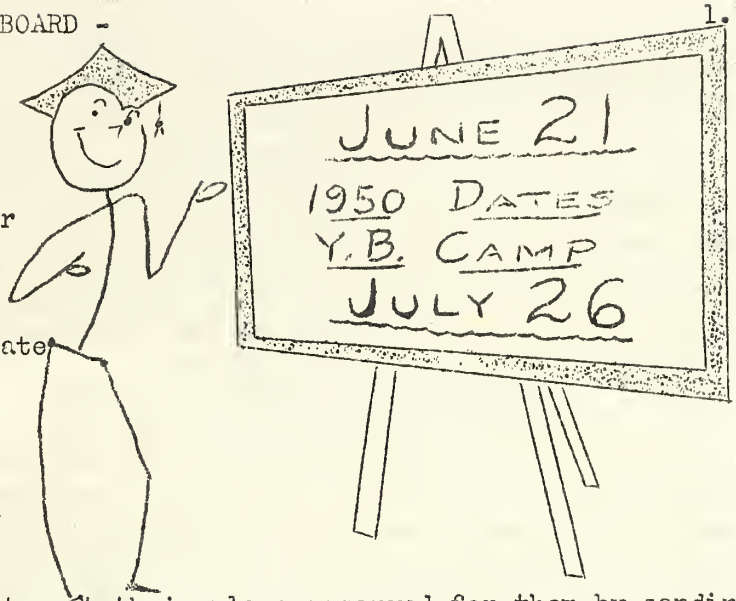
There they are - WRITE THEM ON A BLACKBOARD - put them in a notebook - circle them on your calendar! IT'S THE SAME DAY THAT SUMMER BEGINS....the 21st day of June, 1950.



YOUR PARENTS WILL BE RECEIVING a letter about signing you up for next summer, and we know you'll suggest to them that they send your registration card in plenty early. And we would appreciate it very much if you would

SEND US THE NAMES OF YOUR PALS

who are good camp prospects...the kind that are interested in a good balanced program. We'll help you line up your buddies....but the important thing is to get their place reserved for them by sending in the registration card early! You know how full camp was last season and that there were waiting lists in both YB and YG..."a word to the sufficient, is wise!"

AND WE WOULD APPRECIATE IT ALSO if you would send us the name of some college man whom you or your parents know personally and would like to suggest as a 1950 Leader. Give us his school address and we'll get him "on the line", in time! By the way,

DID YOU GET ANY GOOD PICTURES AT CAMP ??

Each year some of the best pictures that are taken are not those by the official camp photographer, but those taken by the campers themselves. If you have an extra copy of an extra good picture, we would appreciate receiving it for our official camp album. Thanks for any help you may be able to give us.

AND NOW LET'S TAKE A LOOK

at some of the new developments which we may look forward to next summer. The YB camp location is superb, mounted as it is up on the beautifully wooded plateau, above the blue waters of Stony Lake. But we are not content to just have the natural beauty of the camp - we want the kind of equipment and facilities that will help us get the most fun and greatest good from our camping experience....so, we are constantly making improvements and this will be a notable year in this regard.

FIRST COMES THE WONDERFUL NEW YB HEALTH CENTER.

Ordinarily, this would be called a "hospital" and many camps so designate this item of their equipment. We like to work on the positive side, so at Miniwanca we call it "Health Center" and so it is, for our health record at Camp Miniwanca has been exceedingly fine. This new building is perched on the slope of the dune just south of the Eating Lodge. The site was chosen in order that we might have a good view of Stony Lake from the porch of this new building, and that we might also have the convenience of being close to the kitchen, which will greatly simplify the matter of carrying trays of hot food to the "guests" in the Health Center. You will like this trim little building, with its knotty pine finish, screened porch, and complete equipment. A full-time nurse will be in charge of the YB Health Center.

NEXT COMES THE NEW BADMINTON COURT.

Yowsah, we have finally succeeded in getting this piece of equipment in Y.B. The court will be located just west of the YB Assembly....just about the spot where the

HEALTH CENTER

Badminton Court

badminton net has been rigged up these past few years. From here on out however, YB campers will be able to play a real game of badminton for the new court will be official size 20' x 44' and of course, there will be the correct margin allowed for laying out the court well within the outside edges of the cement. We'll look for some terrific badminton battles next summer! But that is not all - next comes the

New Council Circle

And we think we have a whale of an idea on this! The Council Circle will be of wood construction. The lumber is already on the grounds. During the fall and winter, our good friend Rudolph Burmeister, whose skill has made possible for us so many of Miniwanca's wonderful buildings, will "fabricate" the council circle in his shop and have everything ready for the 1950 campers when they arrive on June 21st. Then it is our plan to let this be one of the big service projects of YB Camp next summer. Mr. Burmeister will probably be on the job personally to be the "boss man" of the work crew, and under his direction YB boys and perhaps some leaders will get a chance to do some honest-to-goodness construction work - helping to put in the cement bases (a big cement mixer will be on hand to do the mixing) and then swinging their hammers - good and true as they drive in the spikes and nails to put the circle together. With the lumber already processed we figure that the Council Circle should be ready for use by the second week of camp. Brother, that certainly will be something! And it will be a lot of constructive fun! First we will put up the seats, and it is planned later on to build a "stockado" around the seats. When it is entirely completed it will be a unique piece of equipment for the Younger Boys unit. Perhaps it would be well to add a word regarding the

NEW MASTS FOR THE SAILBOATS

It is our hope that we will have a complete set of new masts for these boats by the time camp gets under way next summer. The present masts have given us a bit of trouble. They were made according to blueprint, but somehow or other the masts have failed to stand up under the strain and rather hard handling they receive at camp. Here's hoping we can completely solve this problem by next summer. You may rest assured that all the boats will be in commission and that will be good news to all.

JOE WHITWAM TO DIRECT Y.B. AGAIN

next summer, and that is good news for the big bunch of campers and leaders who have had the privilege of camping under Joe's leadership these past five summers. Joe writes that he has seen a number of games in Notre Dame stadium at South Bend, which is just a few miles from Niles, Michigan where Joe directs the physical and recreational program in the high school. He is also busy teaching and coaching and we can all well imagine the 'umph Joe puts into the athletic teams that come under his direction. Invitations to former YB leaders will be on their way soon and it is hoped that a goodly number of the old-timers will be back again next summer. The next issue of

THE TRAIL

comes to you at Easter-time. We would like to have each one of you drop us a postcard sometime this Winter and let us know what you are doing at home, in school, on the playground and out in your community. Come on, you journalists, try your hand at writing a little something for our camp paper, and have the joy of seeing your contribution in print! Just think, our circulation is nearly five hundred copies and they are distributed in about twenty-five states! May we hear from YOU?

"Catch one on the fly"....we mean,

BRING A "TOPFLIGHT" BOY FROM YOUR TOWN with you to camp next summer! You know the kind of a fellow who will enjoy camp with you. Tell him all about Miniwanca.

We'll help you "land him"....just mail this sheet to us at once with the names of several friends.

AMERICAN YOUTH FOUNDATION
3930 Lindell Boulevard
St. Louis 8, Missouri

Date _____

Dear Wadjepi:

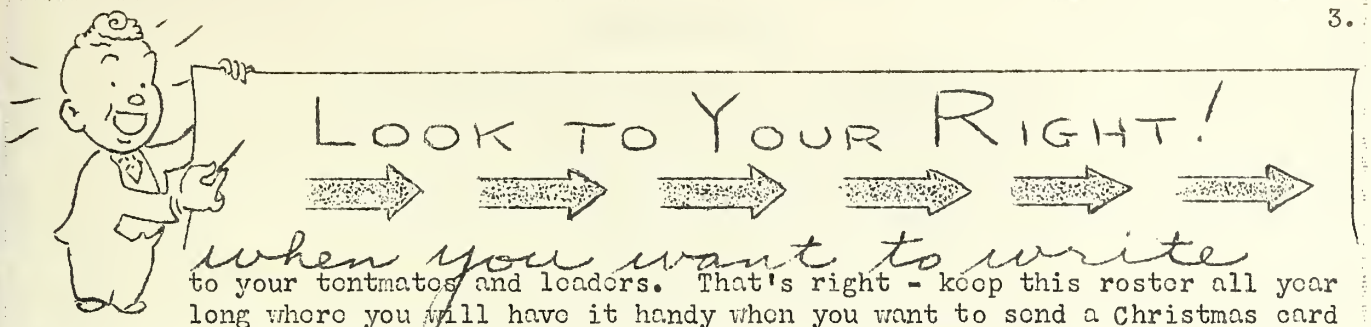
Here's the dope on some swell fellas for the Younger BOYS Camp at Miniwanca.

Signed (your name) _____

NAMES (Please PRINT!)	AGE	PARENTS INITIALS	ADDRESS
1. (Last Name) (First Name)			(Street - City - ZONE - State)
2.			
3.			
4.			
5.			

And here are a couple of Younger GIRLS camp prospects for good measure!

1.			
2.			



when you want to write to your tentmates and leaders. That's right - keep this roster all year long where you will have it handy when you want to send a Christmas card or drop a note to some old buddy. And what fun it is to correspond with Miniwanca men from all over these United States! We could tell you about former campers and leaders at Miniwanca who have been keeping up their letter writing 10, 20, 30 years. Your Christmas greeting along with a Founder blotter will be coming along in December but we did want to say a word about

THANKSGIVING

The best way for a fellow to show his Thanksgiving is by his Thanksliving. Elizabeth Cushing Taylor put it this way:

Thanksgiving Day comes once a year,
But I can find a reason
For being thankful every day,
No matter what the season.

I'm grateful for so many things;
There is such joy in living;
I find each day that comes to me
A day of real thanksgiving.

And now a closing word about the personal interview you had at camp and the character goals you set for yourself. This is simply a reminder to keep plugging away at the tasks you set for yourself. Keep those helpful suggestions on your dresser, or

Now 1 are 2 you 3 measuring 4 ring 5 up??

stuck in your mirror, so you can see them often and work on them each and every day. "The only way to be a great man is to be a great boy!"

Looks like we'll have to bring this issue to a close. We hope all of you have a successful and satisfying year in school....and we'll be waiting to welcome you on the sand-dunes of Miniwanca next June 21st. To be happier next summer - send in your registration card soon. You can bet your life camp's going to be nifty in '50.

Your Founder friend, Wadjepi
